

HOW TO USE STOCK PHOTOS

NAVIGATE TO CANVA.COM

Visit canva.com, and choose social media from the menu.

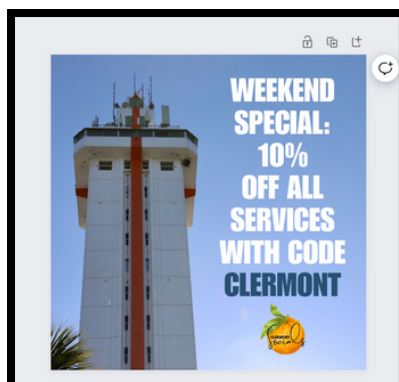

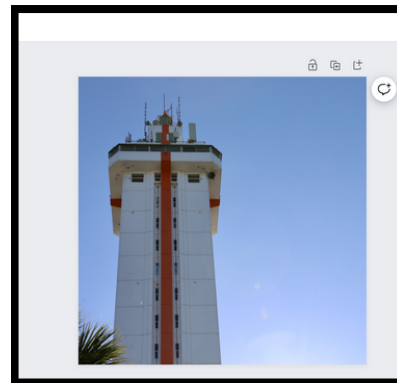

CHOOSE A TEMPLATE

Choose what type of social media graphic you want to create. In this tutorial, I'm creating a square Instagram post.

UPLOAD THE STOCK PHOTO

Click 'Uploads' on the left hand toolbar. Then, drag the uploaded photo onto the canvas. Drag to resize as desired.

ADD TEXT AND GRAPHICS

Click 'Text' on the left hand toolbar. Then, add your text or other graphics. Finally, save your graphic and post to social media.
